The **National Honor Society** (NHS) is a national organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. The deadline for the application is November 19th, 2021. After the applications have been reviewed, eligible candidates will be granted an interview with the advisor and possibly current members of the NHS.

After I am accepted as a member of NHS, what is required of me?

NHS members are required to complete at least 30 hours of community service (this will be discussed further if you are granted an interview). Members are responsible for keeping track of all service hours, both in-and-out of school. Members must also attend at least two NHS meetings a year and are expected to email us if you are unable to attend a meeting. Members are required to maintain a GPA of at least a 3.2 and will be expected to check-in with your guidance counselor at least twice a year to confirm your GPA status.

1) Please list any extracurricular activities (inside and outside of school):

2) Please describe any volunteer work or community service projects with which you have been involved (include dates if possible):

3) Based on the activities or volunteer work listed on the previous page, please explain how you took on a leadership role within that particular team, organization, or project. In addition, please discuss if you will be taking on a leadership role in the future (i.e. sports captain for next year).

4) What sort of community service projects would you like to see happen at Minuteman?
